The image shows a screenshot of a web browser displaying the IBM Cloud login page and dashboard. The browser's address bar shows the URL `cloud.ibm.com/login`. The login page has a dark background with the IBM Cloud logo and the text "Log in to IBM Cloud". Below the login form, there is a "Continue" button and a "Remember ID" checkbox. The user's email address, `pooja.ece.sec@gmail.com`, is entered in the login field. The dashboard below the login page shows a "For you" section with several tiles for getting started with various IBM Cloud services. A "Get started options recommended for you" pop-up is visible, suggesting a "Take a tour" option. The dashboard also includes a "News" section with updates on IBM Cloud Data Shield Deprecation, IBM Watson Orchestrate Is Integrating with ThisWay Global, SLSA Support in IBM Cloud Continuous Delivery, and WebSphere Application Server Support Restatement. The "Planned maintenance" section is also visible. The user's account name, "Pooja B's Account", is displayed in the top right corner of the dashboard.

The image shows two screenshots of the IBM Cloud interface. The top screenshot is the login page at `cloud.ibm.com/login`. It features the IBM Cloud logo, a "Log in to IBM Cloud" heading, and a "Sign in with" section. The "Sign in with" section has a dropdown menu set to "IBMid" and a text input field containing the email address "portia.ece.sec@gmail.com". Below the input field is a blue "Continue" button with a right-pointing arrow. There are links for "Forgot ID?" and a "Remember ID" checkbox. The bottom of the login page shows a copyright notice: "© Copyright IBM Corp. 2014, 2022. All rights reserved." and a "File Explorer" button. The bottom screenshot shows the IBM Cloud dashboard after login. The top navigation bar includes the IBM Cloud logo, a search bar, and links for "Catalog", "Manage", "Portia J's Account", and "Create resource". The main content area is titled "Dashboard" and features a "For you" section with six cards: "Build", "Build a web app with Watson Speech to Text", "Get Started with Watson Studio", "IBM Watson Internet of Things Platform", "Build a Virtual Private Cloud (VPC)", and "Incorporate DevOps into your process". Each card includes a brief description, a "Getting started" button, and a time estimate. Below the "For you" section are four more sections: "News", "Recent support cases", "Planned maintenance", and "IBM Cloud status". The "News" section lists several updates, including "IBM Cloud Data Shield Deprecation" and "IBM Watson Orchestrate Is Integrating with ThisWay Global". The "Recent support cases", "Planned maintenance", and "IBM Cloud status" sections each have a "View all" link. The bottom of the dashboard shows a world map and a "Cookie Preferences" button.
